SUBJECT: First Draft OHMVR Program Triennial Report

Summary

The 2014 OHMVR Triennial Program Report (2014 Report) is due on January 1, 2014. The first draft of the 2014 Report is available for review. The first draft is posted on the OHMVR Division website at www.ohv.parks.ca.gov.

Discussion

Public Resource Code (PRC) Section 5090.24(h) requires the OHMVR Commission to prepare and submit a triennial program report for California's OHMVR Program to the Governor; the Assembly Water, Parks, and Wildlife Committee; the Senate Committee on Natural Resources and Water; and the Committee on Appropriations of each house. The 2014 Report is due on or before January 1, 2014. The 2014 Report shall be adopted by the OHMVR Commission after discussing the contents at two or more OHMVR Commission meetings.

The PRC identifies certain required elements to be included in the triennial report:

- Strategic Plan accomplishments
- Condition of natural and cultural resources relative to areas and trails funded by the OHV Trust Fund
- Conflict resolution relative to areas and trails funded by the OHV Trust Fund
- Status and accomplishments of the OHMVR Division Grants Program – Restoration
- Summary of OHMVR Division resource monitoring
- Summary of completed OHMVR Division restoration projects
- Actions taken by the OHMVR Division to reduce OHV trespass
- Other relevant program-related environmental issues

At the May 17, 2013, OHMVR Commision meeting in Folsom, California, the OHMVR Commision discussed the proposed outline/content of the 2014 Report. A main topic of discussion was the need for a 2014 Report summary document. This “2014 Report Summary” could highlight the accomplishments of the OHMVR Program in a more condensed format.

Commission Action

The Commission will discuss the first draft of the 2014 Report, take public comment, and provide guidance to the Division for suggested changes as needed for second draft.
